

Snipe European Championships 2018 BSF - Pori, Finland

In-house Measurements (IHM)

Dear competitors,

for this years European Championship in Pori, we are looking forward to a wide participation. Considering this, one of our targets is to keep the measurement process as smooth and fast as possible.

As in previous Championships and with the agreement of SCIRA European Chief Measurer, the Organizing Committee will support the following In House Measurements (IHM) procedure:

1) **Not later than the 14th May**, the National Secretary of each country shall send the Organizing Committee (raceoffice@bsf.fi, CC: reino.suonsilta@gmail.com) the following information:

- a. the names and emails of authorized Snipe measurers from his country
- b. the estimated amount of Snipes from his country participating in Pori

2) After receiving the information above, the Organizing Committee will send to the authorized measurers following:

- a. Measure Instructions (MI) for In House Measurements (IHM) by e-mail
- b. Seals and stickers (picture on next page) to mark the equipment accepted in IHM, by mail. For each participating boat:

- | | |
|-----------|-------------|
| i. 2 pcs | mainsails |
| ii. 2 pcs | jibs |
| iii. 1 pc | hull |
| iv. 1 pc | centerboard |
| v. 1 pc | spare |

- c. Equipment Inspection Sheet (EIS) by e-mail

3) Competitors, when arriving to the venue, will present to the Chief Measurer of the Championships

- a. MDS of the boat
- b. EIS fulfilled and signed by the authorized Snipe measurer from his country
- c. Seals or stickers on the IHM measured equipment
 - i. sails (seal or sticker will be removed and replaced with stamp)
 - ii. hull
 - iii. centerboard

Boats with items 3a, 3b and 3c in order only will have to be weighted and the centerboard's safety line checked.

Boats with 3a, 3b or 3c not in order will be measured in Pori. The fee of measurement is 200€, payed in cash.

For boats from countries with no authorized Snipe measurers no measurement fee is charged.
