

SNIFE EUROPEANS CHAMPIONSHIP 2016
RCR Santiago de la Ribera (Spain)

From: ORGANIZING COMMITTEE
To: NATIONAL SECRETARIES
Subject: MEASUREMENTS

April, 27th 2016

Dear National Secretaries:

For this European Championship, we foresee a wide participation in Santiago de la Ribera and, with the agreement of European General Secretary and SCIRA Chief Measurer, the Organizing Committee desires to anticipate to this circumstance to speed up and facilitate the measurement process.

Following this idea, the Organizing Committee will accept those boats measured following the next process:

- 1) The National Secretary of each country will send to the Organizing Committee the name(s) of those measurer(s) (SCIRA or World Sailing) authorized to inspect the boats from his country that will attend the Europeans.
- 2) The Organizing Committee will send to those measurer(s) the Equipment Inspection Sheet (EIS) and the stickers to mark the equipment (mast, boom, centerboard, whiskerpole, etc).
- 3) Competitors, when arriving to the venue, will present to the Chief Measurer of the Championship the EIS, signed and fulfilled, and the MDS of the boat. Boats with EIS and MDS only will have to be weighted and the sails measured.

Organizing Committee
